

Furry Friends™ Clubhouse T-8313

★ Featured Display: Circle Time

Make a delightful Clubhouse where students gather for news and special events. First, add a 3-D effect to your Clubhouse display by adding small foam core or cardboard squares to the backs of the pieces. Above your Clubhouse, spell out "Circle Time" in Ready Letters®. Use your printer (or handwrite) the day's special guest or event on a sheet of Terrific Papers™ and add a fun accent to the top. Write your learning theme on a name plate and tape it over the Clubhouse door. Place a challenge question or activity behind the Clubhouse door. Kids will have fun meeting—and learning—at the Clubhouse!

Design Option: For a rainy day theme, add foam core clouds covered with cotton balls. Hang shimmering "rain" made of blue mylar fringe to fall from the clouds!

★ Storytime Theater

One of the nice features of the Clubhouse is that you can configure it in a variety of ways! Here's one display idea that inspires creativity while reinforcing classroom lessons. Attach Clubhouse pieces as shown to a display board, and then cut out the window to create a mini "stage." Print "Storytime Theater" on a name plate and tape it to the theater. For puppets, tape or glue small dowels to the backs of the Furry Friends™ characters and accessory pieces. Popcorn Time and Winning Tickets Classic Accents® pieces are perfect for announcing show times and titles.
