

Furry Friends™ Seasons T-8315

★ Featured Display: We Like Winter!

Chase away any cold weather blues with this cheerful display! It's also a great way to introduce and encourage wintertime activities and discuss appropriate clothing choices for cold weather. Use the winter header piece and Ready Letters® to spell "We Like Winter!" Add Furry Friends™ characters with winter seasonal clothing and accessories. For extra fun, add cottonballs for snow. Use mitten Classic Accents® to post the fun outdoor activity ideas suggested by your students. (Even if you live in a warm winter climate, kids love to imagine playing out in the snow!) To keep the winter learning theme going, invite students to draw or paint winter scenes and add these to the display.
