

Frog-tastic!™ Welcome Phrases T-8720

★ Featured Display: Lily Pad Welcome

Get everyone into the swim of a new school year! Display a welcoming message for your grade using set pieces. Take photos of your students on the first day of school, and then add them to the Lily Pad Classic Accents®. Complete your pond scene with frogs, bugs, and fireflies from the set. Frame with a combination of patterned and solid trimmers. Students will love seeing themselves on the display!

Design Option: Create a "pond" in the center of your display by taping overlapped layers of Blue Water Terrific Trimmers® (T-80005) to a sheet of tagboard or cardboard, and then cutting this sheet into a pond-like shape. Arrange the lily pad accents with student photos to "float" on your pond!
