Spark discussions and study of Pilgrim life with the realistic scenes from this bulletin board set display.

Featured Display

Display the pieces from this set, leaving space near each piece to add student work. Frame your display with trimmers. Provide students with a variety of books on the first Thanksgiving and Pilgrim life, and ask them to find interesting facts about customs and events. Students write their findings on note pad sheets, and post them on the display. Extend the activity by adding student drawings. Discuss students' finding about Pilgrim life.
