## Calling All B.U.G.S!

### ★ Featured Display

Students will giggle when you ask them to act like bugs... Being **Unusually Good Students**, that is. Set the scene with a light blue fadeless paper sky, and then add several rows of red gingham trimmer across the bottom. Add the ant buildings and insects, butterflies, and flowers. Write job titles and student names on the speech balloons. Frame with grass trimmer. Soon students will be busy and helpful bugs in your classroom "ant colony."
